If you attend Advanced IPM Training – Scout schools, dates and locations to be announced, we can renew your consultant license in Entomology for 2017 after you furnish us with proof of attendance. If you have a meeting not on this list that you are interested in attending, please provide us with a copy of the agenda to ensure the meeting will qualify for your renewal. My email is AnnaA@mdac.ms.gov or you can also reach me at 662-325-0522.

As you have noticed, you did not receive renewal forms this past December. In an effort to streamline the renewal process, you will no longer receive those. If you attend your yearly meeting (s), we will print your cards in December and mail to you. Please make sure you always sign our attendance forms so you receive your new card in December.

Please note: Information regarding each meeting is subject to change. As new information becomes available, the Bureau of Plant Industry will update this list. We have provided the name and contact information for each meeting. Should you have any questions about the meetings, please contact the personnel listed above and not our office.
